Subject: Touch Base: XRP Listing

Hi [REDACTED]

Hope you are doing well. Looks like things are winding down on the settlement front which is great to hear. Chris asked me to reach out to discuss the possibility of listing XRP on Bitstamp. We have a few ideas on how to make this work for everyone. Do you have some time to touch base this week to discuss further?

[REDACTED] can help coordinate calendars, on copy. Look forward to reconnecting!

Best,
Patrick
